Dedication

KEVIN T. CAHILL

The highest honor a single class may bestow upon an individual is that of dedicating the yearbook to him. Mr. Cahill's warm understanding and impartial counseling have won him high respect among the students at Le Roy. His easygoing yet dynamic personality makes him honored and admired by all. Students have learned to respect his judgment in many matters, for he has been both a teacher and a friend to them. Therefore, it is with great honor and sincere gratitude that we dedicate this 1960 O-AT-KAN to you, Mr. Cahill.

Recognition

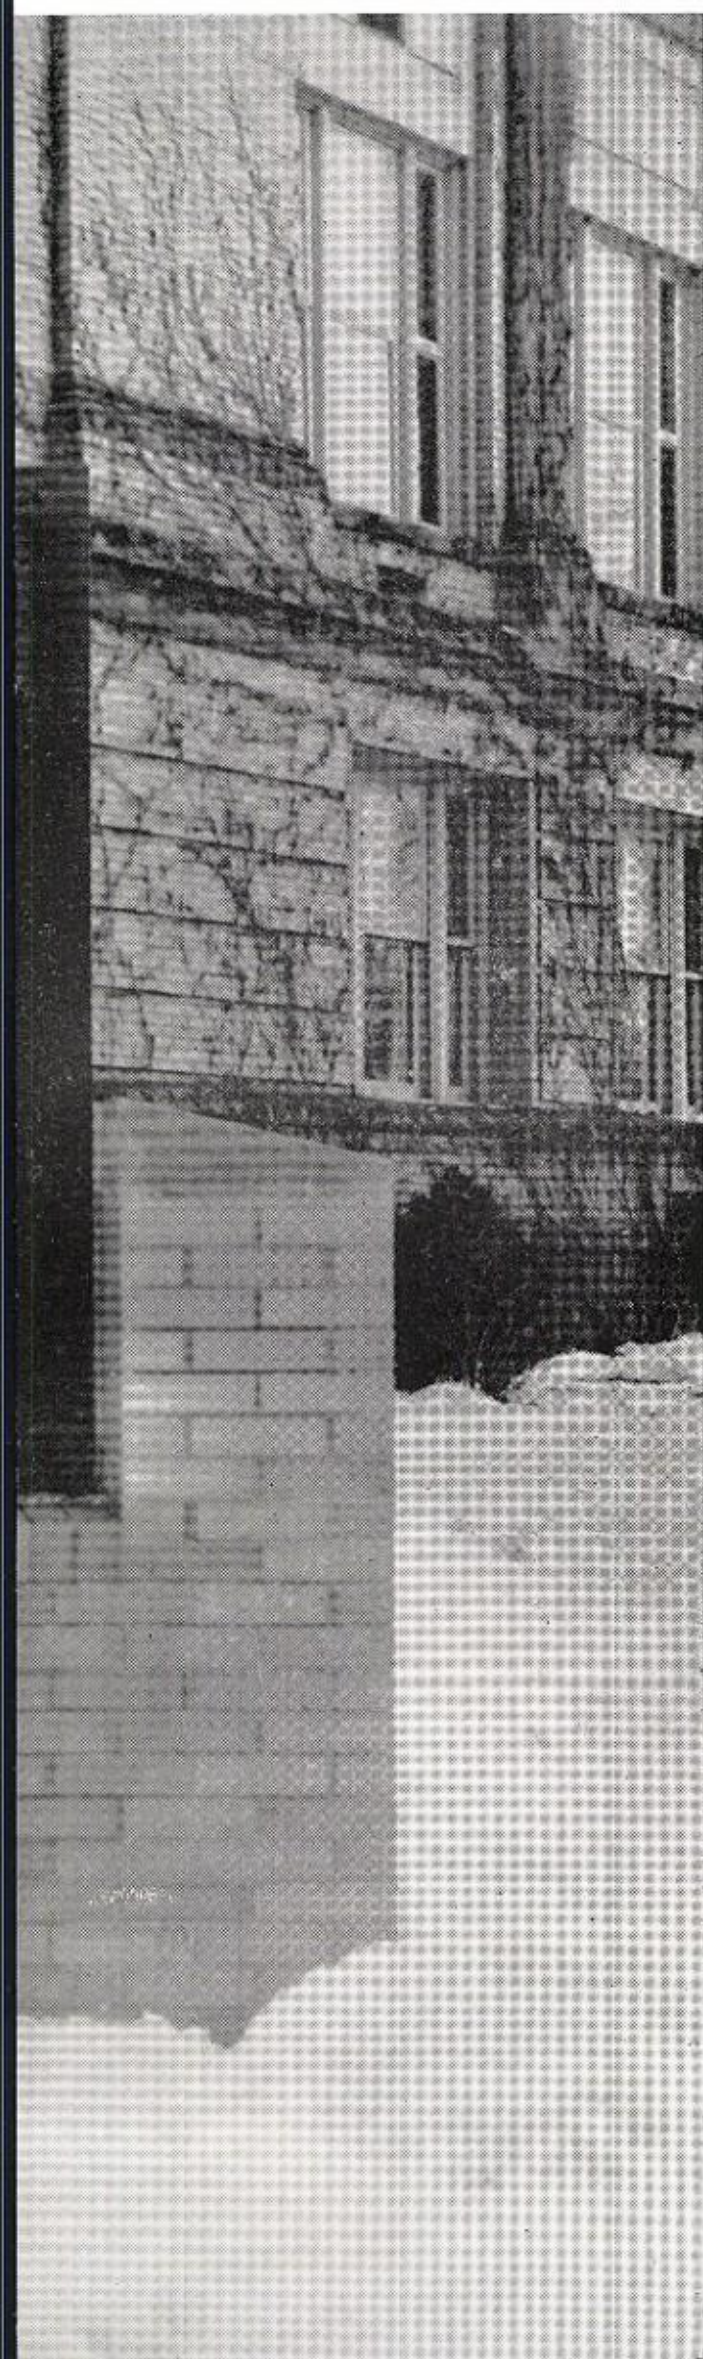

JAMES J. GALLAGHER

All those who come into contact with Mr. Gallagher cannot help but notice the ideal qualities he possesses. A man with a forceful personality and a great determination, he also reveals his kindness and understanding when approached by a student with a personal problem. Mr. Gallagher has won the respect and the friendship of the students at Le Roy, and his extra offerings of aid, both academic and personal, have helped many of us over a hurdle. And so, we thank you, Mr. Gallagher, for your warm friendship and understanding.

LERROY CENTRAL SCHOOL

**ADMINISTRATION
AND
FACULTY**

Memories of school days will always bring to mind the teachers who encouraged us to do the best we could and who taught us reading and 'riting and 'rithmetic—but not “to the tune of a hickory stick.” Persuasively, enthusiastically, inspiredly we were taught. Familiar classrooms . . . the beat-up textbooks . . . the view out the window—these will be wistfully remembered over the years, but most of all our faculty and administration who dedicated themselves to the ideals of the teaching profession.

The Superintendent of Schools

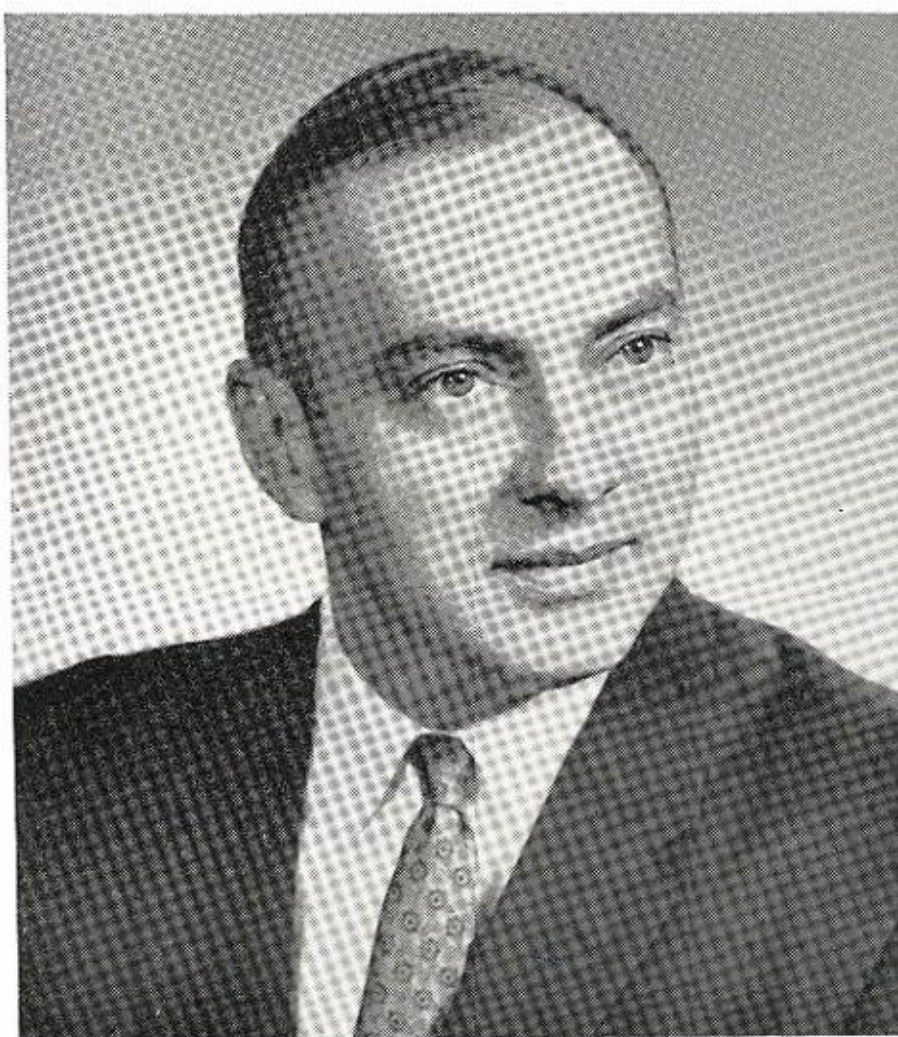

DONALD E. HARR, *Ed. D.*

"It is something special to be a Le Roy student," are words we often hear from our Superintendent of Schools, Dr. Donald E. Horr. Yet, nothing has done more to help the Le Roy students to become "special" than the respected guidance and counseling of Dr. Horr. He is much more to the students of Le Roy High than our "chief commander". He is also our friend, admired and respected by each of us for his fairness in dealing with our problems and his pleasant way of giving a cheery smile and friendly word to every student he meets.

The High School Principal

The smooth operation of Le Roy High School rests upon the very capable shoulders of our Principal, Mr. Richard C. Fitch. However, Mr. Fitch does much more than administrate the school efficiently, for he has become the trusted and respected counselor of almost every student in Le Roy High School. He plays an active and helpful part in our work, our recreation, our projects and organizations, and our plans for the future. Mr. Fitch can always be depended upon to gladly give of his time to help any student who needs his friendly advice or tactful guidance.

Seniors

We, the Class of 1960, began our senior year with the election of Richard Mogavero to head our class through what has been a busy and prosperous year.

Our first undertaking was the operation of the refreshment stand during football games. Next, came the annual spaghetti supper which helped to initiate a sense of class spirit. During the Yuletide season we decorated a Christmas tree on the campus and spent an evening singing Christmas carols.

In February came our senior play, "What A

Life," in which a large audience was entertained in an evening of mystery, comedy, and suspense. The Class of 1960 instituted a new event, the Mardi Gras Ball, in which the couples came in costume.

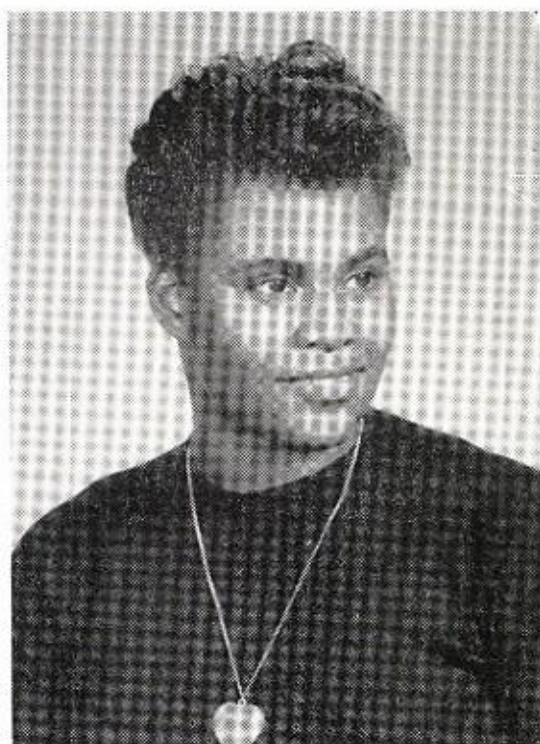

We completed our senior year with the delicious Tountas supper, the unforgettable senior trip and ball, climaxed by Class Night, Baccalaureate, and Graduation. And so it is with fond memories that we bid farewell to our Alma Mater, thus signifying the end of our stay at Le Roy High School.

We, too, grades seven through eleven have had memorable high school years amidst our tears and laughs, ups and downs. As seventh and eighth graders we were proud of our junior high status. We remember how important we felt when we became freshmen of the senior high school and returned the next year plunging energetically into our sophomore year. Then came our junior year and at last we were upperclassmen. Yes, we classes represent that road to that glorious goal—to be mighty seniors.

Junior Class

The Junior year of the Class of 1961 boomed with fun and events. We had very competent leadership with Jerry Ball as president, Ernie Curtis as vice-president, Jimmy Kanaley as secretary, and Reed Williams as treasurer. The highlight of the year for our class was the junior prom, "Lavender Blue". Greens and a Christmas tree provided a festive air as the dancers whirled to the music of the Bowmannaires. Jack Jeary and Carol Merriam reigned graciously as king and queen of "Lavender Blue".

Our Class of 1961 sponsored a record dance in order to raise money for the March of Dimes

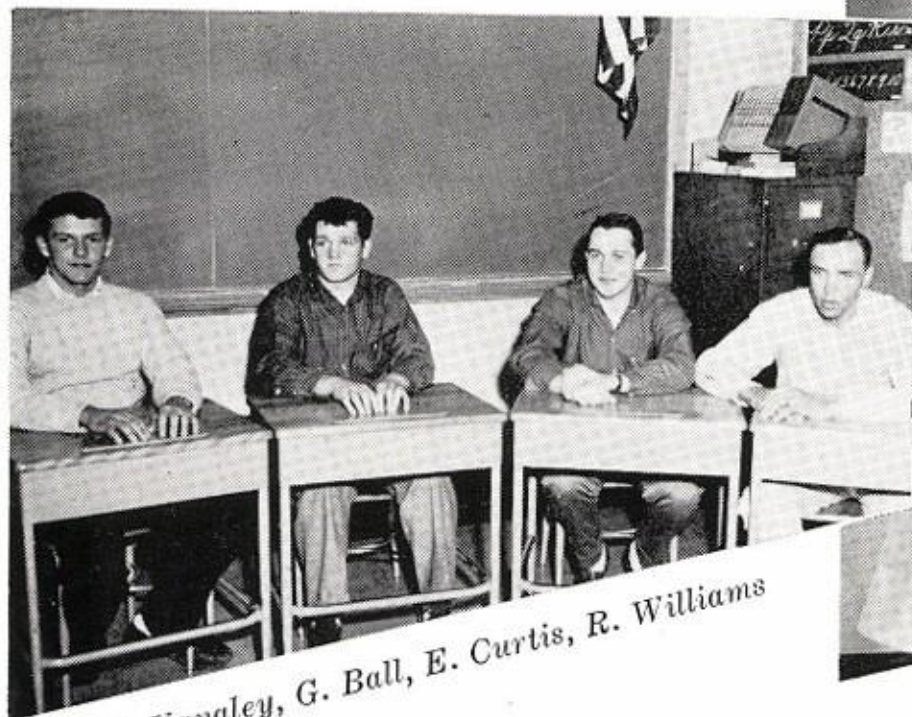

campaign which was carried on simultaneously in the village of Le Roy. Next in the class's calendar for the year was a class assembly which held the audience in stitches.

Members of the Junior Class carried on an exciting campaign when they ran for the offices of president and vice-president of Student Council. We also participated in the annual Larkin Speaking Contest and sent delegates to Model Congress and Science Congress.

With the guidance of Mr. Stitt, Mr. Panko, and Miss Suttell, our advisors, we think we have had a very profitable junior year.

Sophomore Class

The Sophomore Class had Gerald Seeley as president. Under his able leadership, with the assistance of Louis Frank, vice-president; Bonnie Bradbury, secretary; and Thomas Yauchzee, treasurer; our class has had many activities and enjoyed many good times together. Some of our members can easily be found in almost every organization of Le Roy High. As an entity, we have presented a fine assembly program, taken whole busloads to games, sold hotdogs, coffee, doughnuts, and pizza at basketball games, and participated in the Sophomore Speaking Contest.

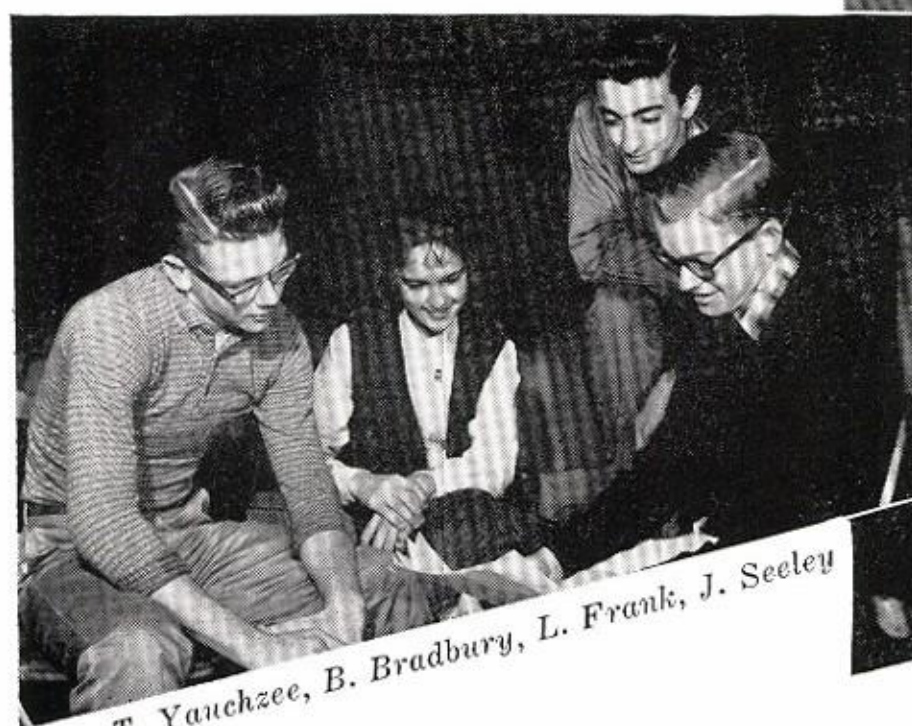

We were certainly not lacking in athletic

ability or musical talent. Sophomore boys participated in sport activities, urged on by the enthusiastic encouragement of cheerleaders from our class. In the field of music the band and choruses are well supplied with Sophomore talent.

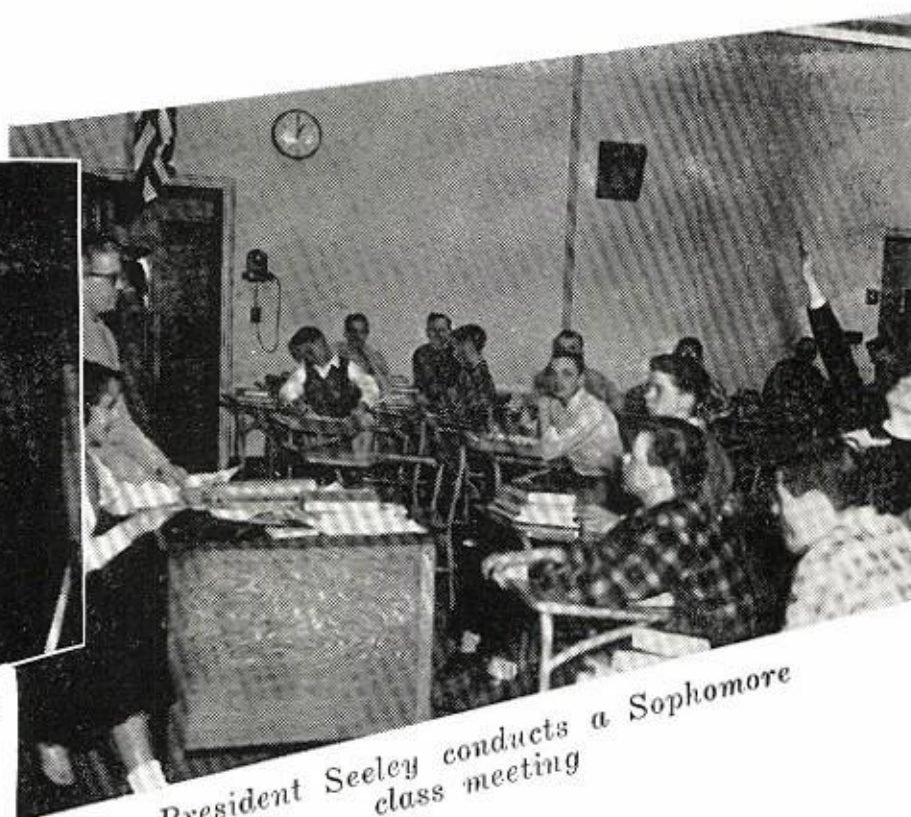

The class would like to give its heartiest thanks and sincere appreciation to the advisors, Mr. Starkweather, Mr. Putnam, and Mr. Mangefrida, without whose help the good times enjoyed by all would most certainly not have been possible, and without whose aid our treasury would not have had such a prolific increase. The Sophomore Class has found this year a wonderful step in their four years at Le Roy High.

Freshman Class

Our Freshman Class entered high school with a burst of vitality and enthusiasm. Our goal was to have a worthwhile, profitable, and wonderful freshman year. We elected Betty Lou Leone, president; Mike Pridgeon, vice-president; Darlene Peters, secretary; and Gary Roth, treasurer. Our class was fortunate to have Mr. Hillis, Mr. Joslin, and Mr. Gallagher as advisors who helped us greatly with their never-ending efforts and guidance.

One of our most profitable projects in monetary values was the candy, pop, and potato chip stand at the home basketball games where hard-working freshmen sold refreshments to basket-

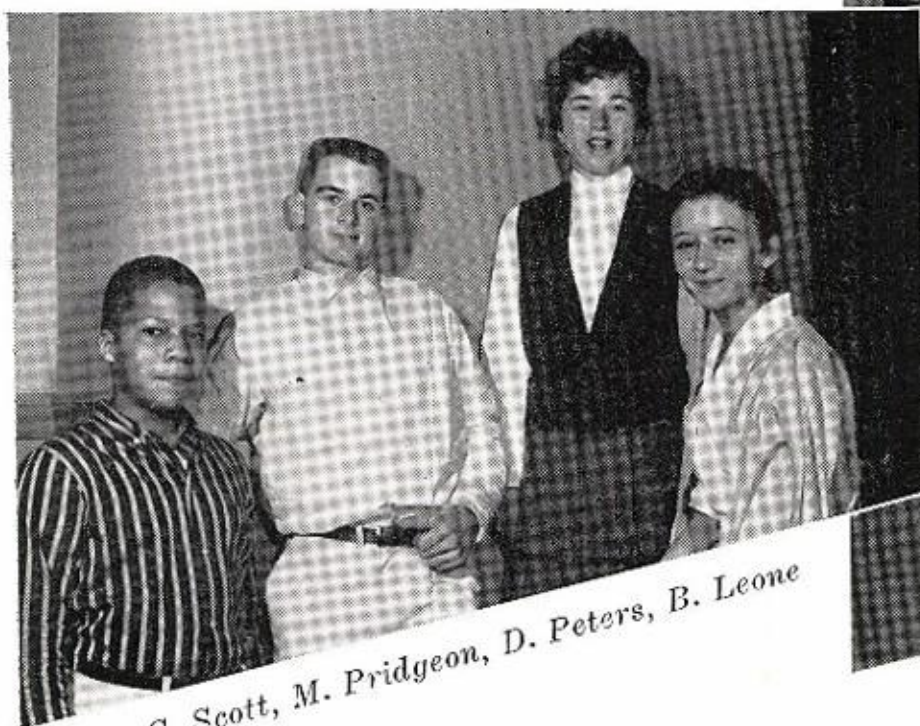

ball admirers of all ages.

In the first semester the skilled portion of our class performed in an assembly "An Afternoon of T.V.," which was climaxed by a surprise double cross "It Could Be You" for Mr. Hillis, the director.

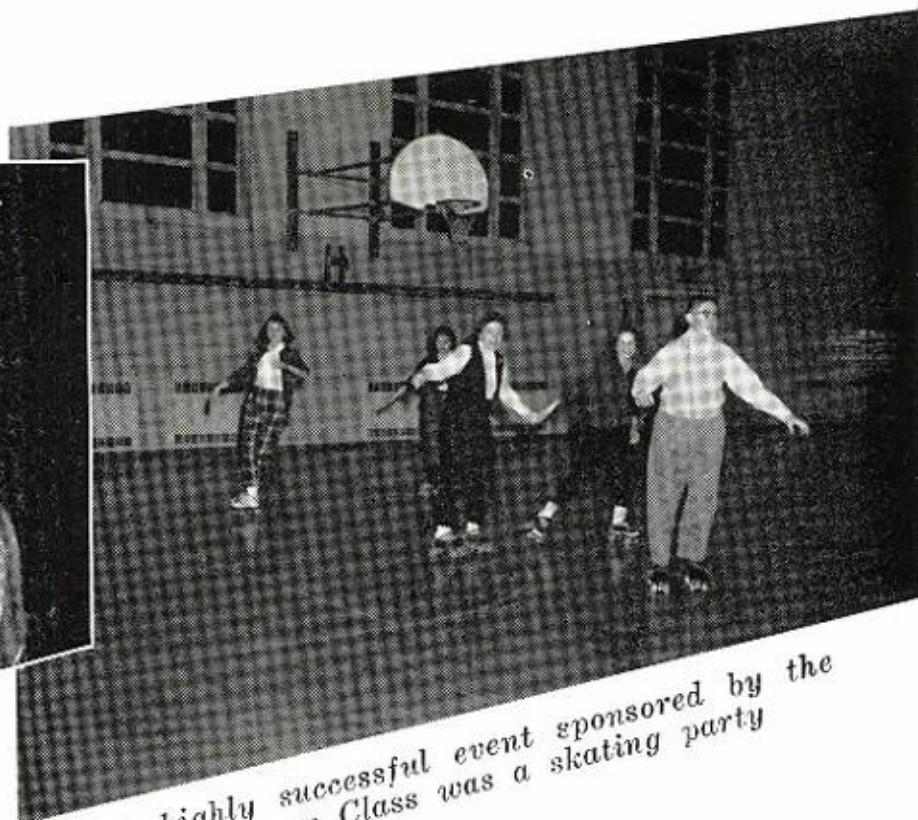

The freshman boys participated in junior varsity football, basketball, and baseball and were a great asset to all the teams. Many clubs and organizations in the school were proud to include ambitious Freshmen. We hope that in three more years of high school our class will gain, as we did this year, in experience, character, and education.

Eighth Grade

The Class of 1964 got off to a fine start with the election of the following capable officers: Barry Panepento, president; Ronald Paganin, vice-president; Charles Verney, secretary; and Sandra Sherman, treasurer.

Our first activity was a Fun Night on November 13. Although it was just for enjoyment, we did increase our treasury a small amount. Everyone enjoyed himself participating in games and stunts. We rounded out our year with a skating party in March.

The eighth grade contributes many fine athletes to Le Roy High School. The All Star team certainly made a fine showing.

In addition to our regular classes, various activities consumed our time. We had basketball players, cheerleaders, actors and actresses, skaters, and dancers. We sang, played musical instruments, and tumbled in the gym exhibition. Most of our time, however, was spent in attending classes, studying and learning.

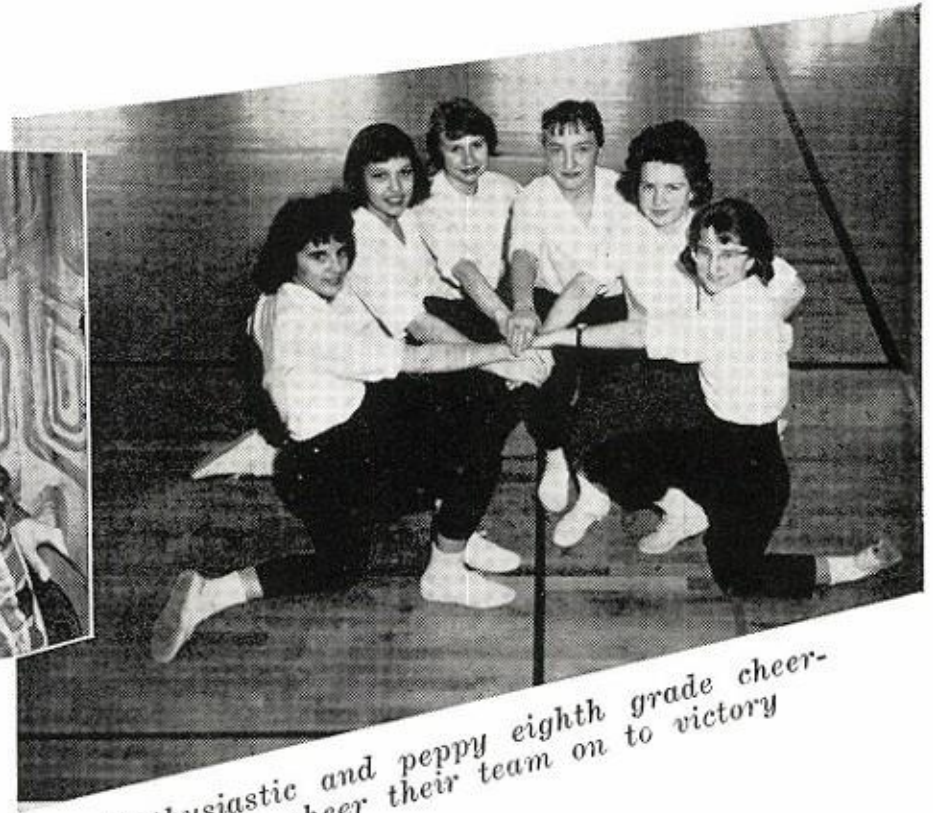

We would like to thank our advisors, Mrs. Murphy and Mr. Kurth, without whose tireless help our class activities would never have been carried off so smoothly. And now, as we say good-bye to junior high school, we are sorry we are leaving but we are eagerly looking forward to our next four years at LHS.

Seventh Grade

The big step into junior high school can be a very exciting one! It was this year that the Class of 1965 took the big leap. We recovered temporarily from the first shock of becoming junior high school students and chose James Woodworth to lead us through the maze of school life. Karen Merica became vice-president; Donna Lindsley, secretary; and Judy Grasby, treasurer. Under the leadership and guidance of our advisors, Miss DeVoe and Mr. Taber, we set out to make this a successful year.

In December we had a fun night and it was just what the name implies. There were games

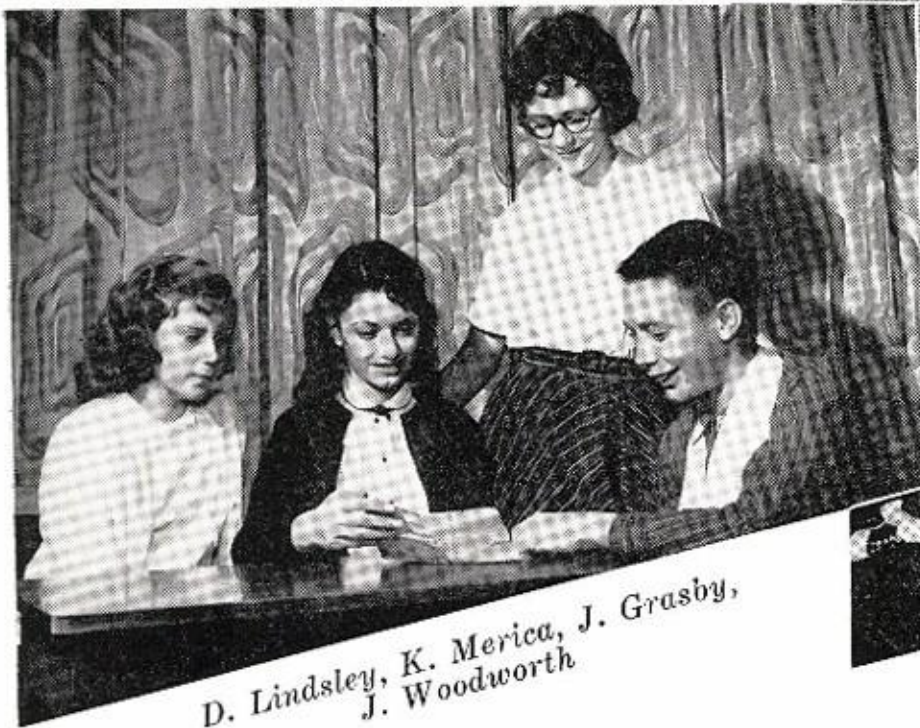

of all kinds, delicious refreshments, and skits performed by each homeroom. The class realized what a good time they could have together.

The school spirit the seventh graders possess is tremendous. We took a special bus to the exciting Pavilion game to support our basketball team. Later in the spring the class activities included a skating party. Our class also contributed considerable talent to the annual Junior High assembly program.

The first year has been fun-packed and we are looking forward with anticipation to our remaining years at Le Roy High.

LEROY CENTRAL SCHOOL

GRADE SCHOOL

“Just above O-at-ka’s waters” stands our building of elementary learning—the Wolcott Street School. In each succeeding year, from kindergarten through sixth grade, we grew not only in body but also in mind as well. For it is during our years in the grade school we established the foundations for all we have accomplished during our high school careers.

MR. HORACE B. MYERS, MISS JUDITH LINDSLEY

The Grade School

The first seven years of our school careers are spent in the Wolcott Street School under the able direction of Mr. Myers and the grade school faculty. It was here that the fundamental ideals of good citizenship, our study habits, and attitudes were developed.

The 1959-60 Le Roy Chapter of the National Honor Society, members of which are selected biannually by the high-school faculty for their outstanding scholarship, leadership, character, and service, got its start in the spring of 1959. At that time eight juniors—Laurence Boylan, Meredith Brooks, Barbara Drysdale, Christine Graney, Kathryn McClelland, Richard Mogavero, Ellen Perkins and Bonnie Steinmetz—were elected into membership. In the fall, under the guidance of advisor Miss Fortmiller, Robin Bower, Bonnie Drysdale, Robert Fussell, Rose Ann O'Geen, Diane Schuyler, and Lucy Vinci were inducted into the society.

The O-At-Kan

Early in September we, the O-AT-KAN staff, under the leadership of Barbara Drysdale, Editor-in-chief; Kathryn McClelland and Bonnie Steinmetz, Associate Editors; and Edward Ianello, Business Manager; dedicated ourselves to the momentous task of creating the best yearbook possible.

Producing the 1960 O-AT-KAN has been no easy task. While the business staff canvassed the surrounding communities for advertisers, the writing staff was busily engrossed amidst a flurry of copy, paste-ups, and uncropped pictures. In this endeavor we were aided by the excellent guidance of our advisor, Mr. Starkweather.

Senior Band

This year a dream came true for the Senior Band members when they at last received their new band uniforms, a goal they have been striving to achieve for four years. The band is a great asset to Le Roy High School. During the football season, no matter how cold, the players force their numb fingers to play favorite school songs, encouraging the boys not to give up. This year the band also participated in the Christmas and Spring concerts where its performance was enjoyed by all. The band has kept up its exceptionally fine record, a difficult job to do.

Oatkannaires

The Oatkannaires have enjoyed a very successful year under the able direction of Mr. Lane. They performed in the Spring and Christmas concerts, sang before Rotary, and presented the musical, Oklahoma. All work and no play makes for a dull chorus. But you can be sure that this will never happen. It just wouldn't be normal if something didn't happen to set the group into laughter. But work or play the Oatkannaires have certainly done a wonderful job this year.

Girls' Chorus

The Girls' Chorus, under the direction of Mr. Lane, is composed of freshman, sophomore, junior, and senior girls. Since the group has many members, it is necessary to work harder in order to attain the musical quality which comes more easily with a smaller group. However, it seems that goal was reached, for each time the girls performed they were well received. The Girls' Chorus took part in both the Christmas and Spring concerts.

Junior High Chorus

The Junior High Chorus is composed of seventy eager seventh and eighth grade singers under the able direction of Mr. Lane. These students participate in chorus approximately one hour each week. It is in this group that these music students gain the experience needed to become members of the Oatkanaires, as well as a valuable appreciation of fine music. Their repertoire ranges from American folksongs, spirituals, rounds, and Christmas carols to well-known favorites. This year, the Junior High Chorus participated in the Christmas and Spring concerts and was well received at both.

SPORTS

“Let’s go, O-at-kan Knights!” What memories the word knights brings back—a driving team . . . splashy red and black uniforms . . . a packed stadium . . . enthusiastic cheerleaders . . . and our high-stepping marching band. School spirit ran high, and we loved it all. But underneath the fanfare we could always be proud of good sportsmanship, whether winning or losing, and proud of playing “good ball,” regardless of the odds.

Varsity Football

The motto of the Knights is "The most important thing in the game is not winning but taking part. The essential thing in life is not conquering but fighting well." This year's varsity football team, despite the apparent poor record, was a hard-fighting team. It is not the

winning that counts most but the desire to fight well. The Knights, coached by Mr. Jay, Mr. Stitt, and Mr. Anderson, completed the season with a record of no wins, five losses, and two ties. Edward Ianello and James Woodruff were the team captains.

Varsity Basketball

Le Roy's varsity basketball squad, coached by Mr. Longhini, completed a fair season, winning seven out of the fourteen games played.

The Knights began the season winning the first three games from Alexander and Corfu. In the next encounter against Albion they were handed their first loss. The well co-ordinated

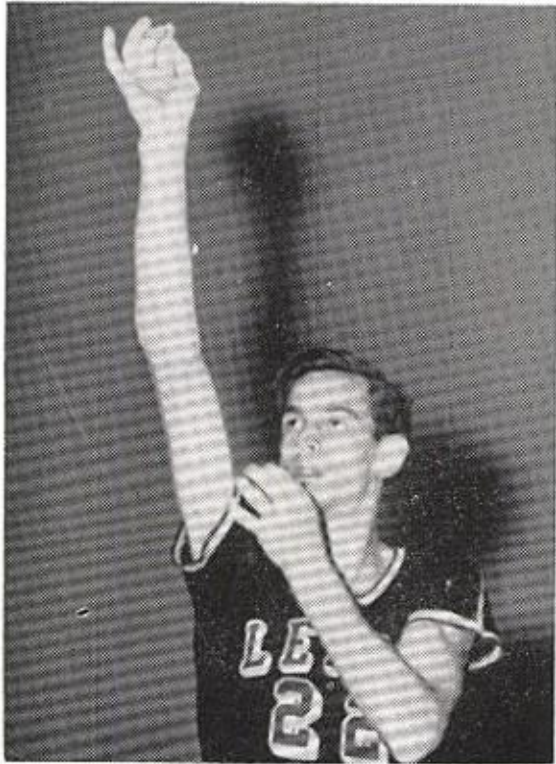

attack of the hoopsters netted results and they downed Wyoming and then lost two successive games to Oakfield and Batavia. In the remaining seven games, the Knights were triumphant over Pavilion and Wyoming, and suffered losses at the hands of Corfu, Batavia, Oakfield, and Albion.

Varsity Baseball

A successful varsity baseball team under Coach Jay chalked up an impressive record for LHS in the 1959 season. With the Knights' spirit undampened and their courage undaunted, they captured the Section 5 Class A championship. However the road to the Sectionals was rocky. A troublesome Albion nine set the

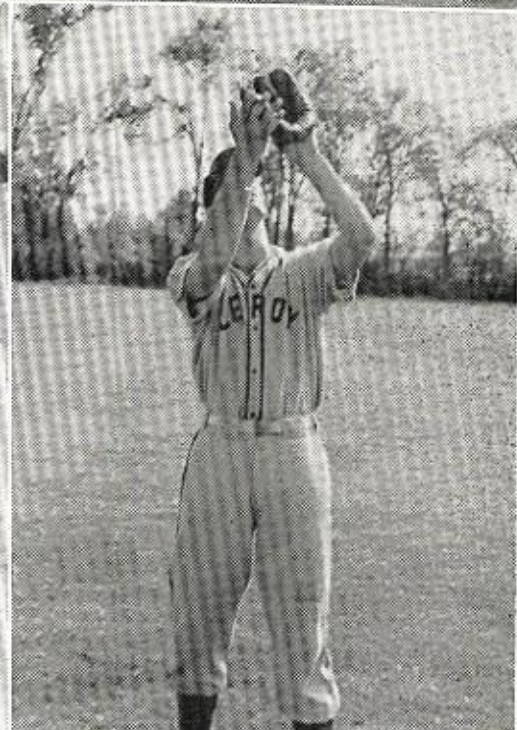

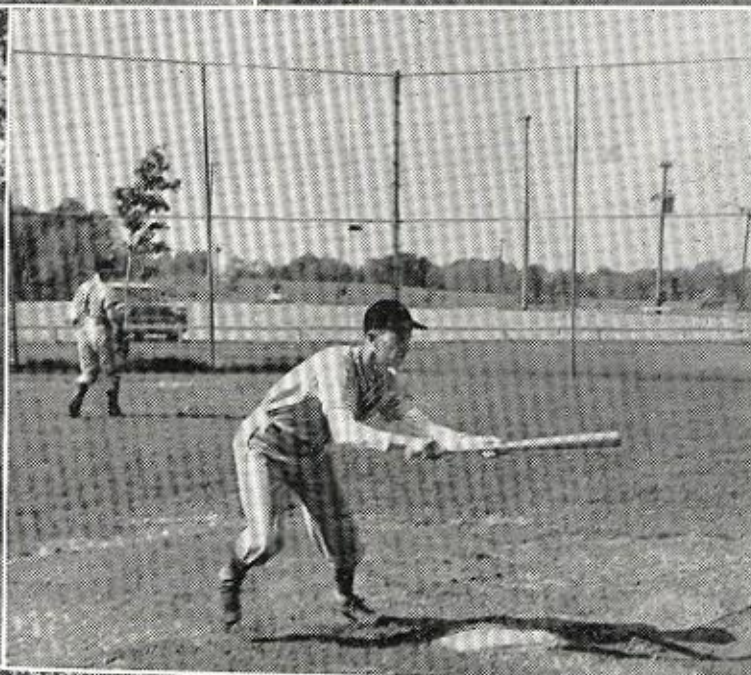

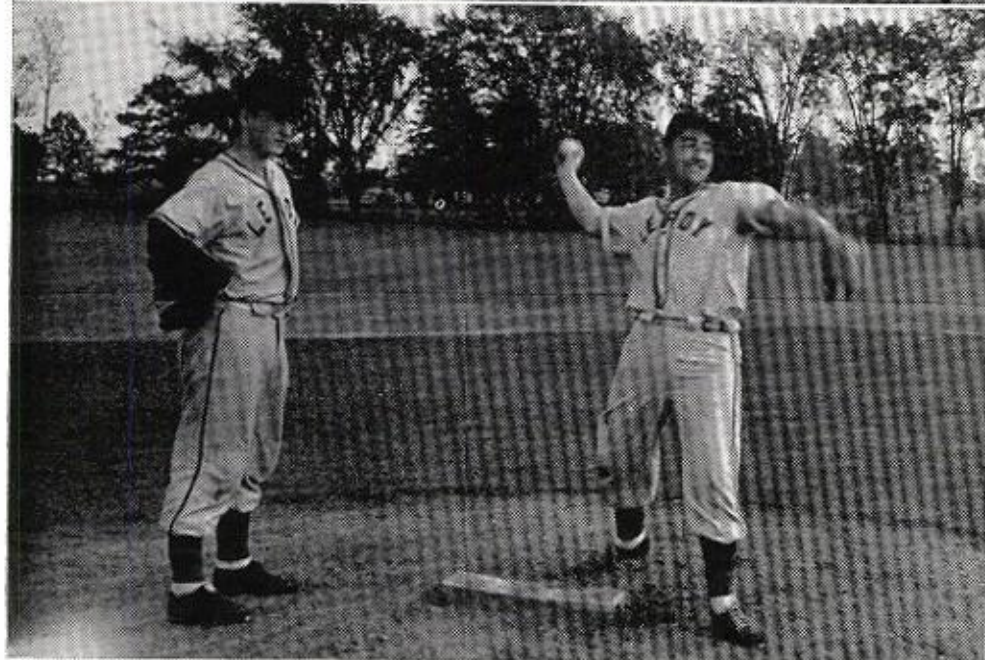

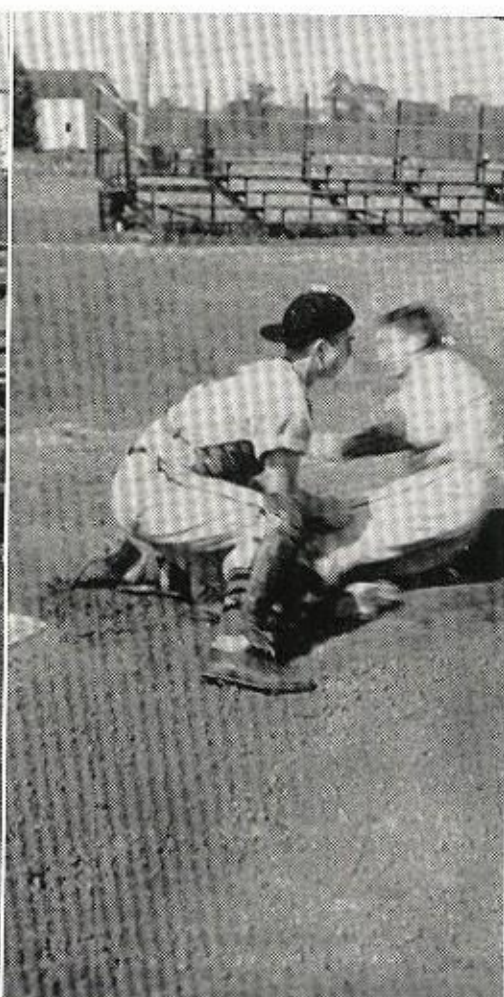

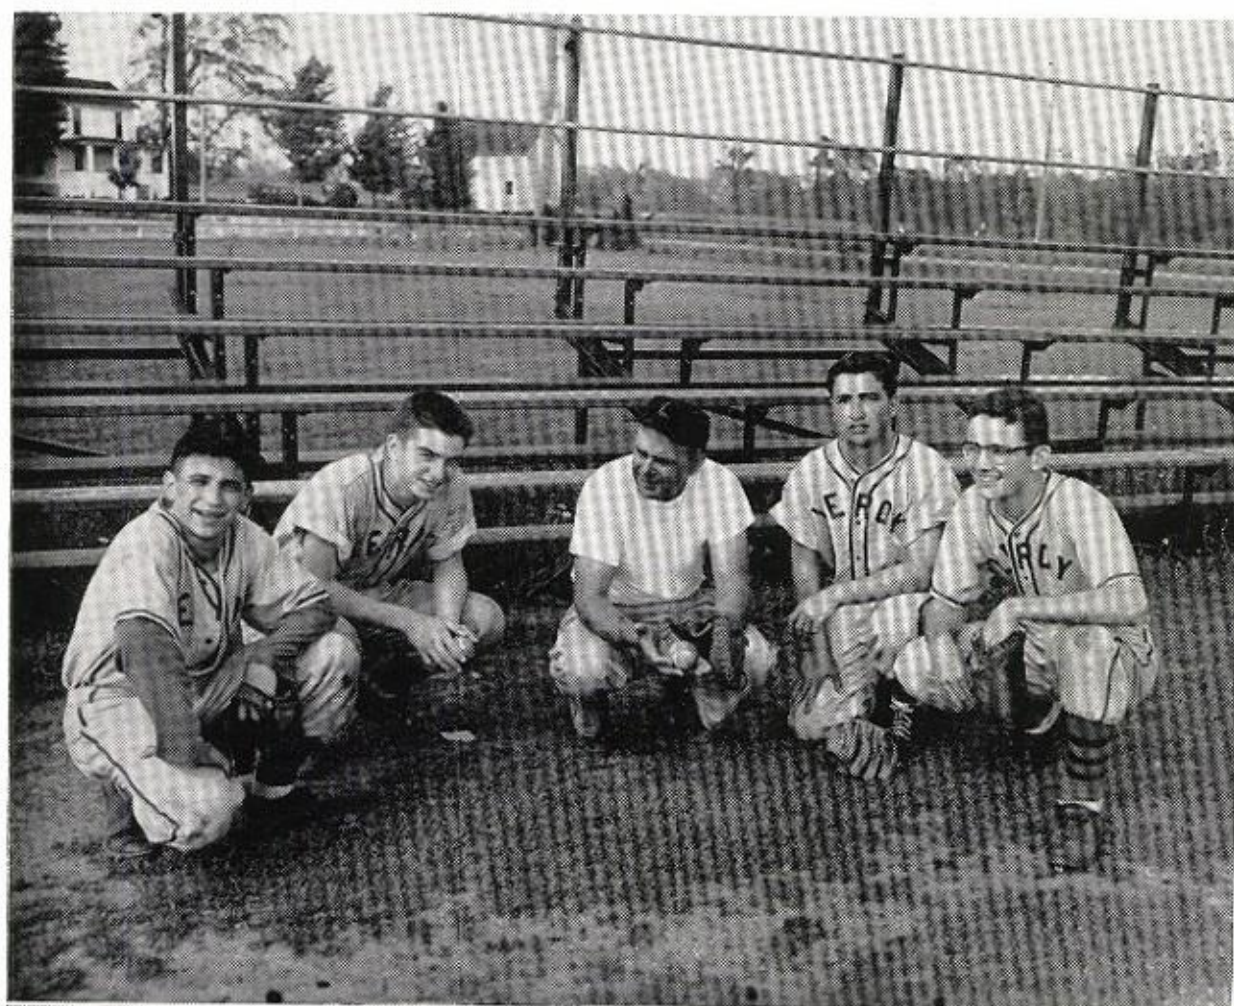

Knights back in an early season game but Le Roy came back to rally and defeat Albion twice in succession for the honor of entering the playoffs. The rampaging LHS nine steamed through their next game, clipping Arcade. In the finals against Painted Post the Knights won 3 to 1.

Track

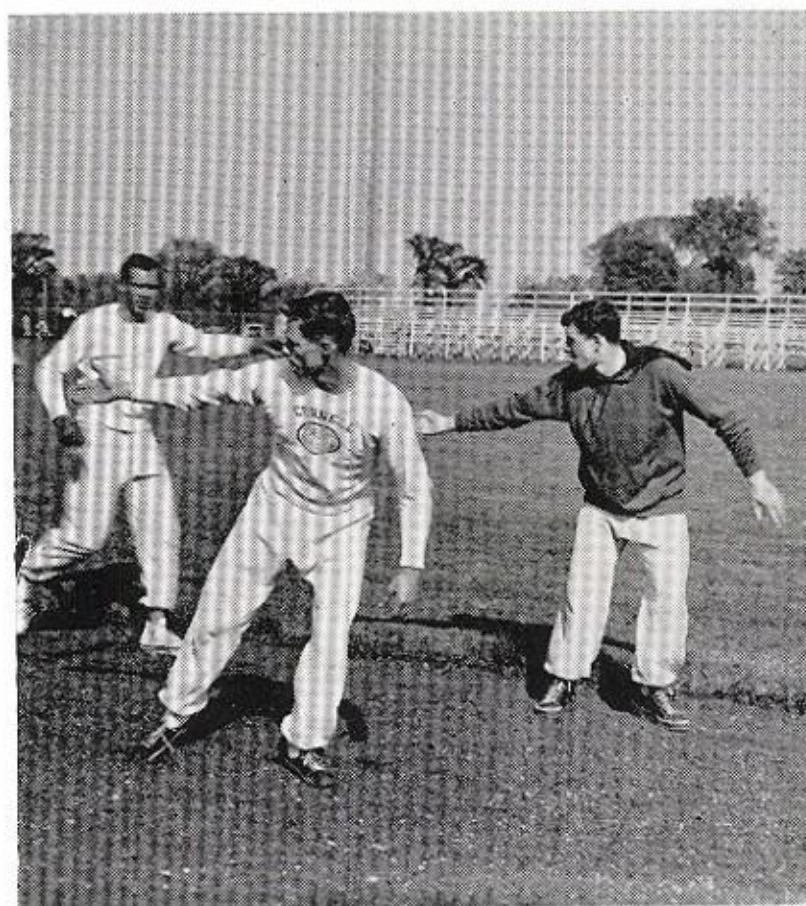

The LHS track squad under the coaching of Mr. Taber enjoyed a fair season last year. They wound up the 1959 season with a record of four wins and five losses.

The outstanding LHS trackmen were Dave and Reed Williams. Dave was the Genesee-

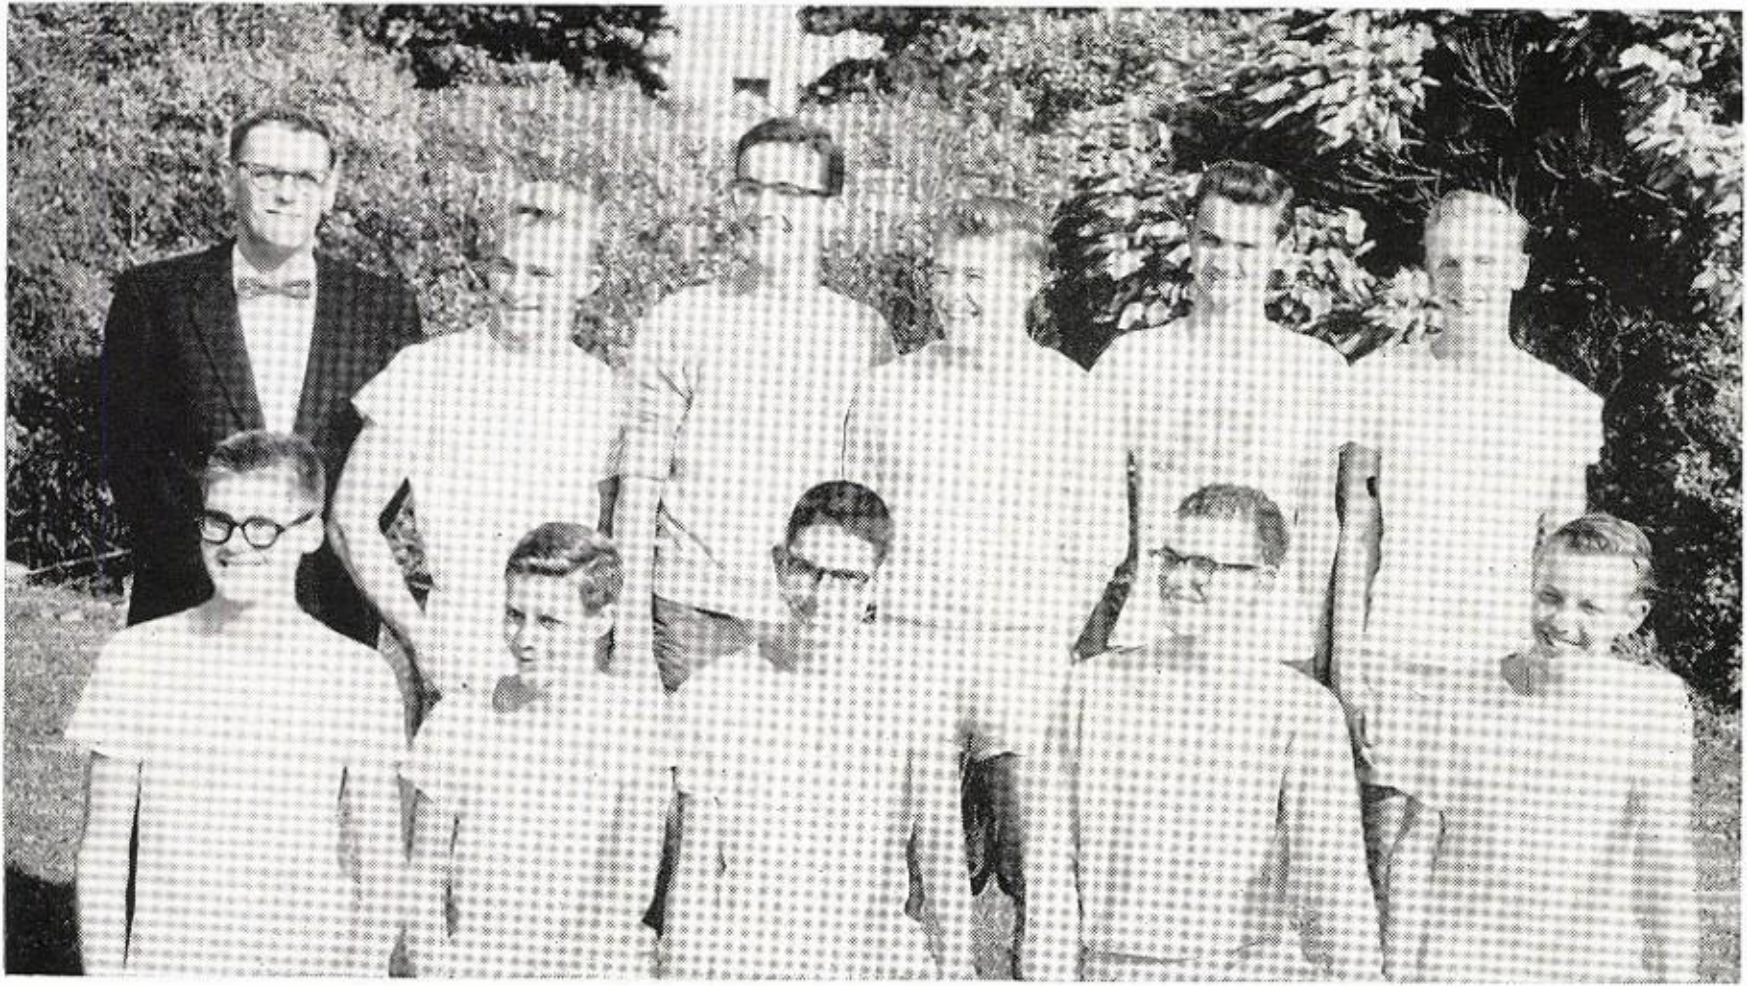

Orleans County Champion in the mile run and high jump while Reed was county champion in the half-mile. Doug Boatfield, who placed second in the county 440 yard dash, was fourth in the Sectionals. Dave Stevens took second place in the county broad jump.

Cross Country and Golf

Le Roy ventured into the 1959 Cross Country season under the able guidance of Coach Taber and the leadership of Captains Sam Myers and Gerry Ball. After a dismal season, the Knights fared better in the sectionals at Geneva placing seventh among sixteen participating schools.

The 1959 golf team, led by Captains Sam Myers and Jerry Ball and under the coaching of Mr. Hillis, lost matches to Batavia and Brockport but improved their scores steadily throughout the season. The highlight of the year was Ed Mills' victory in winning the National Golf Foundation Medal.

Junior Varsity Football

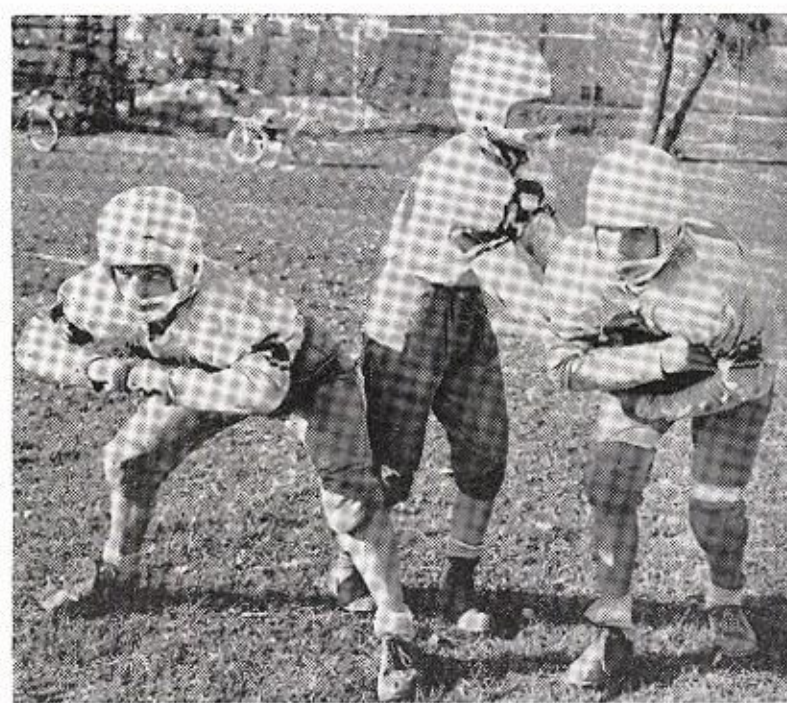

The Junior Varsity Football team completed the season with a record of no wins, two losses, and two ties. The losses were suffered at the hands of the Irondequoit and Brighton teams while the ties were with Albion and Dansville. The Knights played many scrimmages and although the scores are not official, Le Roy came

out on top in statistics.

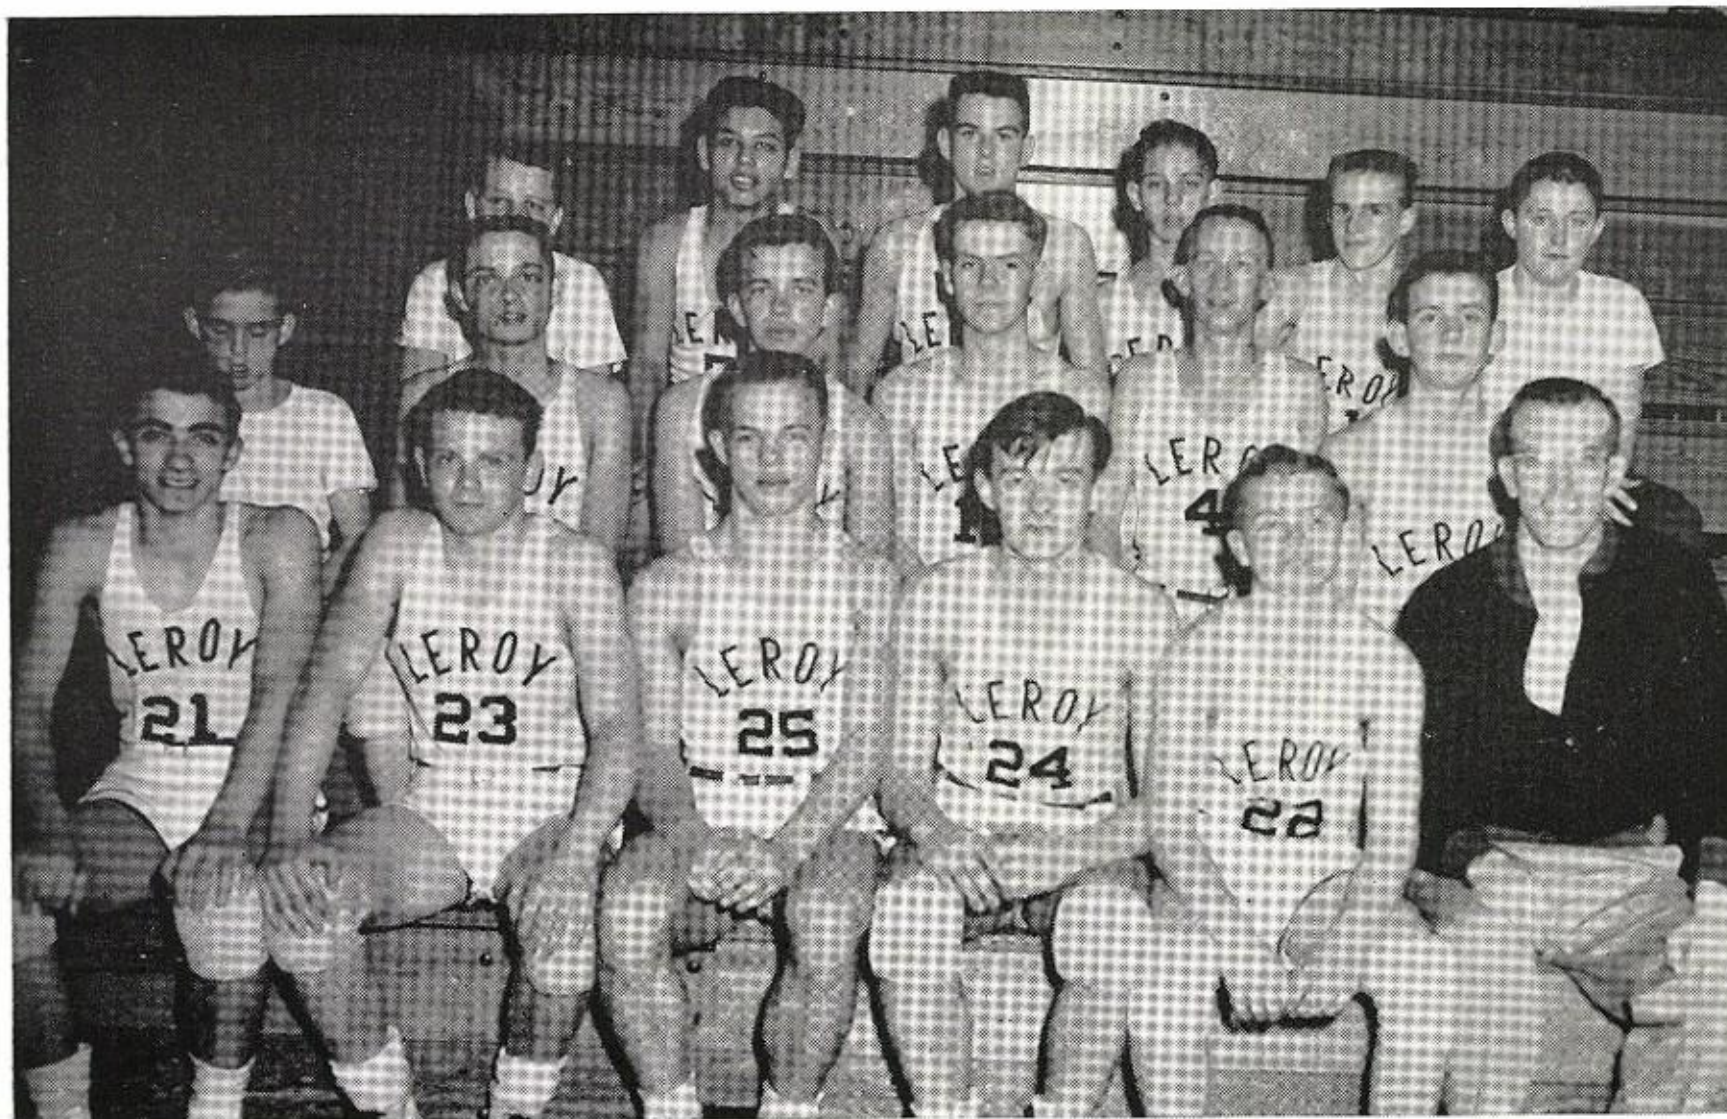

Considerable credit should be given to the boys for their fine play throughout the entire season. Mr. Hillis, the head coach, and Mr. Graney, the assistant coach, did a fine job in preparing the future varsity.

Junior Varsity Basketball

The J.V. team, under Coach Rudman, romped through a thrilling season setting a new record in the J.V. basketball history of LHS. The Knights' record of twelve wins and two losses was accomplished by a team whose members were one of the finest group of boys their coach has ever worked with.

The team, consisting of nine sophomores and six freshmen, played a home and home series with Albion, Alexander, Batavia, Corfu, Oakfield, Pavilion, and Wyoming; we suffered our two losses against Oakfield and Wyoming. Considerable credit should be given to Bob Graney and Gary Roth, the J.V. managers.

Junior Varsity Baseball

The middle of March found the Junior Varsity baseball team crowding the diamond, attempting to learn the rudiments and fundamentals of the game so they could become future varsity material. The 1959 team, coached by Mr. James Carson, a cadet teacher, had a mediocre season winning seven out of the thirteen games

played. The highpoint of the season was in the Albion game. Although the boys lost by a single run, the experience and fun of playing this hard-fought, one hitter was tremendous. Also, games were played against Batavia, Notre Dame, Perry, and other area teams.

The sign has a dark border and a light-colored background with a grid pattern. The text "LERROY CENTRAL SCHOOL" is written in a bold, sans-serif font across the top of the sign. Below this, the word "ADVERTISERS" is written in a similar font. The sign is partially obscured by a brick pillar on the left. In the background, the school building is visible, featuring a series of windows and a large tree trunk. The ground is covered in snow.

Le Roy High School
Le Roy, New York
June, 1960

Dear Fellow Students:

Throughout the 1960 O-AT-KAN we have attempted to capture in words and pictures a view of life at Le Roy High School. We have tried to include all those things you will want to remember - classes and teachers . . . activities . . . sports . . . traditions - all those things which are LHS. Most of all we have strived to show our deep pride in our Alma Mater and our appreciation for all that has been done within her walls.

The entire class wishes to express sincere appreciation to each and every person who has helped the O-AT-KAN staff in any way, for without their generous assistance this yearbook would not have been possible. Special credit is extended Mr. Paul Starkweather, who is the yearbook adviser, and Mrs. Marian Russell and the Photography Club who have been of tremendous assistance.

Although it is we in our senior year who have produced this annual, this is your 1960 O-AT-KAN. It is for you; it is about you. Look at its pictures, read its words, and remember the things it depicts. Five, ten, or even twenty years from now, wherever fortune has taken you, we hope that your 1960 O-AT-KAN will revive fond memories of the happiest times of your life. Keep it with you for it is a pictorial and written record of 1959-60 at Le Roy High School. We sincerely hope that you will enjoy it and that its value will increase as the years go by.

Sincerely
The Class of 1960

Dear Donna,
Good luck with the
boys especially George.

Good luck in everything you do
on your examinations
